About Sound Global Ltd.

Sound Global (formerly known as Epure) is one of China’s leading turnkey water & wastewater treatment solutions providers. Backed by extensive R&D and technical expertise, it has successfully completed many award-winning projects.

The Group develops proprietary technologies and customises them into effective turnkey solutions for industrial and municipal projects. It has a strong marketing network in China, where it is much sought after for its strong design and engineering project management capabilities.

In 2006, Sound Global diversified into the management of water treatment plants. It has also invested in build, operate and transfer (BOT) projects to diversify its project portfolio. The Group acquired Beijing Hi-Standard Water Treatment Equipment Co., Ltd, progressing towards its aspiration of becoming a fully integrated services provider.

Sound Global was named one of the Top Ten Influential Water Industry Engineering Companies in China in 2007 and ranked first among the Top Ten Outstanding Engineering Companies in 2009. Executive Chairman Wen Yibo was named one of the Top Ten Influential People in the Water Industry in China in 2005, 2006 and 2007.
