☐ Yes ☒ No

## 5. Presentation of major changes in operating revenue, operating cost, total amount or composition of net profits attributable to shareholders of common stock of public company during the reporting period when compared to the previous reporting period

☒ Applicable ☐ N/A

In 2019, the Company achieved an operating revenue of RMB 23,915.82 million, an increase of 6.29% over the same period of previous year. In 2019, the Company ceased business in commodities trading and its associated logistics. Excluding the impact on the revenue of commodity trading logistics, the current period operating revenue increased by 16.15% compared with the previous period.

In 2019, the Company generates the net profit in an amount of RMB 1,998.43 million from the manufacturing business, an increase of 23.00% compared with the previous period's amount of RMB 1,624.72 million. Affected by the following factors, the Company's net profit attributable to the shareholders of the listed company is in an amount of RMB 1,894.18 million, 378.60%'s increase compared with the same period of previous year's net profit in an amount of RMB -679.90 million. The details are as follows:

1. The subsidiary SHENZHEN DONGFANG LIANGCAI PRECISION TECHNOLOGY CO., LTD. (hereinafter referred to as "DFLC") was failed in meet with its performance commitment for year 2017. Certain shares of the Company that should have been compensated by the original shareholders of DFLC are still under pledge and the redemption of the aforesaid shares has not been completed ("Redemption Shares"). The Company booked the Redemption Shares in the "Transactional financial assets" according to the accounting standards, and the changes in its fair value into the "Gains arising from changes in fair value". During the reporting period, the amount as booked in the "Gains arising from changes in fair value" was RMB 954.55 million, as a result of stock price rising. In the same period of year 2018, the Company's stock

price fell, resulting the amount of RMB -735.60 million;

2. On the balance sheet date, the Company performed goodwill impairment assessment, and the provision for impairment of goodwill was RMB 662.43 million;

3. The Company plans to dispose all the equity of its subsidiary Shenzhen DJN Optronics Technology Co., LTD. and its subsidiaries (excluding the equity of Salcomp Plc and its subsidiaries) and the equity of Guangdong JP Hi-tech Industrial Park co., Ltd. in order to adjust the industrial structures and focus on the industries with the most development potential. In the process of divestiture, the total loss such as the difference between the selling price of fixed assets and its net assets is about RMB 354.71 million (this amount does not include the provision for impairment of goodwill);

4. In current period, the disposal of subsidiaries Jiangmen Jpmf Electrical Co., Ltd., Guangdong Zhong'an Holding Co., Ltd. and its subsidiaries, Shenzhen City Heli Electronics Co.,Ltd., Foshan Shunde Jiangfen Baling Magnetic Material Co., Ltd. generated a total investment loss of RMB 41.66 million.

## 6. Conditions of suspension and termination of listing

☐ Applicable ☒ N/A

## 7. Matters related to financial statements

### (1) Explanation of changes in accounting policy, accounting estimates and accounting methods when compared to the financial statements of the previous year

☒ Applicable ☐ N/A

The Ministry of Finance revised sets of standards for financial instruments including "Accounting Standards for Business Enterprises No. 22—Recognition and Measurement of Financial Instruments" (Cai Kuai [2017] No. 7), "Accounting Standards for Business Enterprises No. 23—Transfer of Financial Assets" (Cai Kuai [2017] No. 8) and "Accounting Standards for Business Enterprises No. 24—Hedge Accounting" (Cai Kuai [2017] No. 9) and "Accounting Standards for Business Enterprises No. 37—Presentation of Financial Instruments" (Cai Kuai [2017] No. 14) in 2017. Companies should classify and measure financial assets in accordance with the Standards.

According to the requirements of the above standards, the Company reclassifies the original "Financial assets measured at fair value and whose changes are included in current profits and losses" into "Transactional financial assets" and "Available-for-sale financial assets" into "Other equity instruments investment".

2. According to the "Notice of the Ministry of Finance on the Revision and Issuance of the Format of 2019 General Enterprise Financial Statements" (Cai Kuai [2019] No. 6) issued by the Ministry of Finance on April 30, 2019, the Company adjusted the presentation of financial statements and the comparative data in the comparable periods.

(1) On the Balance Sheet, the original "Notes Receivable and Accounts Receivable" item is separated into "Accounts Receivable" and "Notes Receivable".

(2) On the Balance Sheet, the original "Notes payable and Accounts payable" item is separated into "Notes payable" and "Accounts payable".

(3) On the Income Statement, the items of "Impairment losses of assets" and "Impairment losses of creditability" are moved to the position after "Gains from changes in fair value".

### (2) Explanation of ratification of major accounting error in the reporting period which needs to be tracked and restated

☐ Applicable ☒ N/A

No ratification of major accounting error in the reporting period which needs to be tracked and restated.

### **(3) Explanation of changes in the scope of combined financial statements when compared with financial statements of the previous year**

☒ Applicable ☐ N/A
