Announcement of Dividend Distribution for the Year 2020

The Company and all members of its board of directors hereby confirm that all information disclosed herein is true, accurate and complete with no false or misleading statement or material omission.

The 2020 Annual General Meeting of ADAMA Ltd. (the “Company”) has approved the 2020 dividend distribution plan (the “Plan”) on May 21, 2021. The details of the implementation of the distribution are as follows:

I. The Plan

On the basis of 2,329,811,766 total outstanding shares of the Company (among which 2,177,071,961 A shares and 152,739,805 B shares), after excluding 0 share in the repurchase account of the Company, to distribute RMB 0.16 per 10 shares, before tax, as cash dividend to all shareholders (After tax is deducted, RMB 0.144 for every 10 shares held by A-share QFII, RQFII and individuals and securities investment funds holding restricted shares issued before IPO; for A-share shareholders holding restricted shares issued after IPO, restricted shares for stock incentive, and non-restricted outstanding shares, different tax rates will be applied on the dividend: a dividend of RMB 0.16 for every 10 shares will be distributed first, then the tax will be deducted according to the actual shareholding period and number of shares sold by investor after the equity registration day (please see the note below); for securities investment funds holding restricted A-shares issued after IPO, restricted A-shares for stock incentive, and non-restricted outstanding A-shares, the tax rate shall be 10% for the Hong Kong investors holding funds shares, and different tax rates will be applied on the dividend distributed to the mainland investors holding funds shares; the after-tax dividend for B-share non-resident enterprises and individuals holding restricted shares issued before IPO is RMB 0.144 for every 10 shares. Different tax rates will be applied on the dividend distributed to domestic (overseas) individual shareholders: a dividend of RMB 0.16 for every 10 shares will be distributed first, then the tax will be deducted

according to the actual shareholding period and number of shares sold by the investor after the equity registration day).

[Note: On first –in –first –out basis, shareholding periods are calculated upon each shareholders’ account, namely RMB 0.032 of tax per 10 shares for a period under one month(inclusive); RMB 0.016 of tax per share for a period between one month and one year(inclusive); no tax is payable for a period of over one year.]

Special note: Since the Company is a Sino-foreign joint venture, individual foreign investors could temporarily be exempted from dividend income tax.

Dividend for B shares will be distributed in Hong Kong Dollars. According to the Articles of Association of the Company, the exchange rate will be the daily reference rate between RMB and HKD (HKD1.00 = RMB0.8296) published by the People’s Bank of China at the 1st bank day (May 24, 2021) following the 2019 Annual General Meeting.

The dividend distribution plan implemented is consistent with the plan approved by the 2020 Annual General Meeting of the Company.

From the announcement of 2020 annual dividend distribution plan till its implementation, the allocation ratio of dividends remains unchanged.
