2. Principal Activities or Products in the Reporting Period

The Company is principally engaged in oils and oilseeds processing and trading, as well as food processing. With regard to oils processing and trading, the Company refines, bottles, markets, imports and exports raw oils upon initial pressing. As for oilseeds, the Company presses, refines, bottles, markets, imports and exports oilseeds such as sesame, soybean, corn germ, sunflower seeds and peanuts. The Company runs its oils and oilseeds processing and trading business primarily in Beijing City, Tianjin City and Hebei Province under the brands of “Gu Chuan”, “Lv Bao”, “Gu Bi”, “Huo Niao”, etc., with the main products being soybean oil, rapeseed oil, sunflower seed oil and sesame oil and paste, among others. As for its food processing business, it primarily develops, produces and markets snack food and bread under the brands of “Little Prince”, “MS Dong”, “Jianqiang De Tudou” and “Gu Chuan”, among others, with the main products being potato chips, cakes and pastries and bread. The snack food business covers all provinces and municipalities in China, while the bread business focuses on the Beijing-Tianjin-Hebei region. In this regard, the Company is one of the major suppliers for KFC in North China.

According to the Industry Categorization Results of Listed Companies, the Company falls into the major industry category of manufacturing—agri-food processing industry (code: C13). Specifically, the Company operates in the vegetable oil processing segment, with its food processing business accounting for a large proportion in gross profit. With respect to the vegetable oil processing industry, industrial integration has accelerated and differentiation is increasingly evident, with minority oils such as sunflower seed oil, tea oil, corn oil and rice bran oil seeing fast growth. In terms of the food processing industry, consumer needs have become increasingly diverse, resulting in better and richer product offerings. Nonetheless, there are only a handful of major brands in the industry, indicating great potential for industrial integration.
