

Bingshan Refrigeration & Heat Transfer Technologies Co., Ltd.
Public Notice of Dividend Distribution for year of 2022

Bingshan Refrigeration & Heat Transfer Technologies Co., Ltd. and its whole members of Board of Directors ensure that the public notice is real, accurate and complete, and there are no any important omissions, fictitious statements or serious misleading carried in this notice.

The dividend distribution plan for year of 2022 under the name of Bingshan Refrigeration & Heat Transfer Technologies Co., Ltd. (the “Company”) has been deliberated and approved at the Annual Shareholder’s General Meeting 2022 held on May 25, 2023. If the total capital stock of the Company changes before the implementation of equity allocation, it will be implemented in accordance with the principle that the total allocation remains unchanged. The total share capital of the Company has not changed during the period from the disclosure to the implementation of the dividend distribution plan. The dividend distribution plan implemented is consistent with the plan examined and passed by Shareholders' General meeting. It is not more than two months from implementation day of the distribution plan to the day that Shareholders' General meeting examined and passed. Distribution for the dividend for year of 2022 is disclosed as:

I. Dividend distribution plan

The equity distribution scheme for year of 2022 under the name of the Company are:
1. A cash dividend RMB 0.1 for every 10 shares will be paid to all the shareholders based on the current total number of 843,212,507 shares (including tax; after tax is deducted, RMB0.09 for every 10 shares held by A-share QFII, RQFII and individuals and securities investment funds holding restricted shares issued for stock reform and new-restricted shares; for individuals holding other restricted shares and non-restricted outstanding shares, different tax rates will be applied on the dividend. A dividend of RMB 0.1 for every 10 shares will be distributed first. The tax^a will be deducted according to the actual shareholding period and number of shares sold by investor after the equity registration day; for securities investment funds holding other restricted shares and non-restricted outstanding shares, for the Hong Kong investors holding fund shares according to 10% tax, different tax rates will be applied on the cash dividend distributed to the mainland investors holding fund shares for non-resident enterprise other than QFII and RQFII, the Company will not withhold the income tax. Tax payers shall pay tax whether it is accrued; the after-tax cash dividend for B-share non-resident enterprises is RMB 0.09 for every 10 shares. Different tax rates will be applied on the cash dividend distributed to domestic (overseas) individual shareholders. A dividend of RMB 0.1 for every 10 shares will be distributed first. The tax will be deducted according to the actual shareholding period and number of shares sold by the investor after the equity registration day.).

【^a Note: The shareholding period is calculated based on investors’ securities accounts and the first-in-first-out principle. The tax for every 10 shares is RMB 0.02 for shares held for one month (one month included) or less; RMB 0.01 for shares held for more than one month but no more than one year (one year included). No tax will deducted for shares held for more than one year.】

The cash dividend for B-share shareholders will be distributed in HKD based on the

middle exchange rate between RMB and HKD released by the People's Bank of China (HKD: RMB =1: 0.9031) on the first business day after the resolution day of General Meeting (that is May 26, 2023), according to the discount rate for dividend regulated in Article of Association. The pay back taxes withhold for B-share shareholders in the future refer to the aforesaid discount rate.
